

# Traffic Information

**Local Traffic - Quilt Show Day**  
 Businesses are accessible in Three Wind Center on the west end of Sisters. Bi-Mart, Takoda's Restaurant, The Sisters Dollar Store and other businesses can all be accessed from Hwy 20 eastbound. Westbound traffic can access these businesses via Hood Ave.

**Cascade Avenue** will be closed to east/west traffic on Quilt Show Day by 6 a.m. All the north/south cross streets will be open to traffic and parking. Through traffic will be routed around town on Locust St. and Barclay Drive until 5 p.m.

**Parking** is available on all city streets in the business district and residential areas in Sisters. Please be considerate of local residents and DO NOT park in or block private driveways or alleyways. Where parking spaces are unmarked, we encourage head-in parking to accommodate more cars. Please do not park on the highway. It is unsafe and there is plenty of parking in downtown Sisters!

**Disabled parking** is available now in **TWO lots** on the east end of town. We have designated disabled parking in the Sisters Elementary School parking lot, on the east side of Locust St. We still offer disabled parking on the west side of Locust St. in the lots between

the School Administration building and Sisters City Hall. Access to this lot has changed – please check the map and follow the traffic signs to access all disabled parking.

**Tour buses** will drop off and pick up passengers on Main Avenue. Buses will park off Larch Street, north of town at Shepherd of the Hills Lutheran Church. Volunteers are greeting tour buses and will be serving lunch at the church from 10 a.m. to 2 p.m., just two blocks north of town.

**Free Park & Shuttle** - Sisters Park & Recreation District (SPRD) and the Sisters High School Athletic Teams are providing a free shuttle for anyone who wants to park at Sisters High School at 1700 W. McKinney Butte Road. The first shuttle bus leaves the high school at 9 a.m. The last shuttle leaves Sisters at 5 p.m. The shuttle will loop through Sisters, making stops on west and east ends of Hood Avenue and on the west and east ends of Main Street. See Show Guide Map for further details.
