1975-2017 Sisters Outdoor Quilt Show
Quilt Registration Instructions:

Registration has opened on the SOQS website for entering your quilts. It remains open until:

a) Quilt capacity is reached (approximately 1,200-1,400 quilts)
b) May 31st quilt registration closes no matter what

Before you go to the http://www.sistersoutdoorquiltshow.org quilt entry site, you should have the name, size, dominant colors (even if multicolored) and a very brief story about your quilt. If your quilt is for sale, please have a jpg of your quilt ready to upload.

- Once at the website look for **'Enter a quilt'** on the upper right-hand corner of that page. This is also the page where you will pay your $10 registration fee per person (not per quilt). You may do so before or after registering your quilt information. *Online payment of Registration not required; payment may be made by credit card over the phone: 541-549-0989, or by check sent to: 220 S. Ash St. #4   Sisters, OR 97759*
- Click **'click here to register a quilt'** which is located at the top of the page. Log in with your existing account or create a new one if you've never entered a quilt before. *Do not use your own account if entering quilts for another exhibitor.*
- Next look for **'quilt registration area'** and click there.
- Click **'Submit a new quilt'** please take some time to review the information.
- **' I'm ready to submit a quilt!'** is the next button to click
- Your options now are either **GENERAL CATEGORY ENTRY** or **SPECIAL CATEGORY ENTRY.**
    - NOTE: *Special Category Entry is a drop down menu listing Special Exhibits and Sponsor Quilts. You may find and select your special exhibit in this list. Here you could also select "Next Generation" for quilts made by kids or "Made by Men".*
- Proceed through the registration form and instructions on the page.

Please remember to pay your registration fee and any return shipping pre-payments by using the PayPal buttons on the Quilt Entry page of the website (not where you are entering the data on your quilts) or by check or credit card (see info above).

Once you register, your account will be marked "pending". We have many details to administer for each quilt and each quilter. Your patience is appreciated. We send out Quilt Acceptance notifications in batches. You should receive yours within 15 days of your registration submittal, you will receive multiple reminders. Thank you again for understanding our part-time staff is working with hundreds of quilts and quilters.

Best Wishes and Thank You for your Participation in the 42nd Annual Sisters Outdoor Quilt Show.

(see the next pages for a facsimile of what the quilt registration page looks like where you will enter the specific data about your own quilts):
